

Dear Families:

We are excited to announce a new school resource, PebbleGo, that can be accessed from school, home, or on the go-anywhere with an internet connection.

PebbleGo is a database specifically geared toward the needs of K-2 learners. It helps your child learn foundational research skills plus provides critical early-reader supports like audio voice overs and text highlighting.

But best of all, children love using PebbleGo. The easy navigation makes it inviting for children to discover new information. Features like videos and fun games keep them engaged and learning. And you can feel comfortable knowing that they are exploring an ad-free website bursting with resources to help your child master many skills and learn fun facts they will be so proud to share.

To access our library's subscription, go to [www.PebbleGo.com](http://www.PebbleGo.com) and login with our school-wide password and login.
